

A Gift for Teaching

# Ready for Back-to-School

Help ensure students begin the next school year excited and prepared to learn!

June - August 2025

Picture this: a student starts school with a worn-out notebook and no eraser—until their teacher surprises them with a brand-new backpack full of supplies! That’s the kind of magic we can create for thousands of families across Central Florida. Did you know over 70% of public schools in Orange and Osceola Counties are considered high-need? Our future leaders need your help today!

By supporting this initiative, you’ll help provide essential backpacks and supplies to local schools and teachers, ensuring every student can learn with confidence. Plus, your company can join in on The Great Big Backpack Build—a fun, team-building event and the biggest school supply drive in Central Florida, running from June to August!

Your local investment guarantees A Gift for Teaching’s shelves stay stocked, letting teachers pick up all the supplies their students need, at no cost to them. Let’s kick off the school year right!

“ When I showed [my student] the beautiful backpack that was available for them they were shocked. It made their year. ”
